Booking your wedding celebration

If you'd like to make a provisional booking, we're happy to hold your preferred date with no obligation for 14 days.

To confirm, return your completed and signed booking form with an initial deposit of £1,500.

Two further deposits of £1,500 follow, 12 months and 6 months before the wedding, and the final balance is payable 4 weeks ahead. The final balance figure is calculated following your final details meeting, where final numbers and menu choices are confirmed, usually around 8 weeks before the day.

We hope you'll find Wentbridge the right place to marry, and we'd be glad to show you around or answer anything at all.

Planning your day with us

From the moment you book, you'll have a dedicated wedding coordinator who knows your day inside out. They'll help you shape the details and guide you through menu choices and timings. On the day itself, our team takes care of everything, so you don't have to.

Most couples start with a package and make it their own, though you're welcome to build your day from scratch if you'd prefer. Whatever you have in mind, we'll price it honestly and make it work. You're welcome to call, email or come in whenever a question arises, and you'll likely visit us a few times before the day. We'd always rather you asked than wondered.

Wedding insurance

Paying for your wedding day is a significant financial commitment. It is for this reason that we would strongly recommend that you take wedding insurance at the time of booking.

We will be pleased to credit your wedding to the value of your policy up to a maximum of £75. In order to receive the credit, simply show your insurance receipt to your wedding coordinator.

Price Information

Please note that all pricing information is inclusive of VAT at the current rate and applicable to weddings taking place before 31st March 2028.
